COTTON PATCH HILLS, North Bethany, DE

Incredible Oceanfront retreat with 150 feet of sweeping beachfront. This home is situated on one of the largest oceanfront parcels on the Delaware Coast. Recently updated, this home perfectly blends timeless architecture with sophisticated coastal style. Soaring ceilings with exposed beams, crisp white walls, and rich dark floors create the perfect backdrop for the brilliant blue ocean that is seen through nearly every glass door and window of the home. Designed for easy gatherings with family and friends both inside and out, the open-concept main level showcases breathtaking ocean views from the living, dining, and kitchen areas, which lead to the oceanside screened porch and deck. The main level also features an expansive primary suite where you can watch the sunrise through oversized glass doors. The custom walk-in closet with built-in cabinetry leads to a luxurious spa-like bath complete with a jetted soaking tub and a walk-in tiled shower. Nearby, a media room can also be used for additional sleeping space or converted to a bedroom with a beautiful, adjacent full bathroom. Take the elevator or stairs to the upper level, where youâ€™ll find four additional rooms and two full baths. Two bedrooms are oceanfront, each with its own private balcony. On the lower level, youâ€™ll find an exercise room, a bedroom currently used as a den, and a full bath. Thereâ€™s also a spacious laundry room with a sink, two outdoor showers, and an oversized

garage with ample storage – most importantly, the private walkway leading directly to the beach. Located within a sought-after community offering ocean and bay access, tennis courts, and a marina, this remarkable home is a perfect balance of recreation and relaxation.
